# MESSAGE FROM THE PRINCIPAL

The year 2012 marks the fifteenth anniversary of PLK Tong Nai Kan Junior Secondary College. Since its inception in 1997, the school has striven hard to provide quality education. In response to the implementation of the New Senior Secondary (NSS) Curriculum, the school has completed an education reform in quinquennium which values and promotes academic excellence and encourages students to develop their talents and potential to the full – “Achieving Academic Excellence, Nurturing Potential Talent”.

Under the ceaseless efforts and the perseverance of our teachers, we have our school vision and mission realized. We can share our harmonious environment for students’ gifted development in academic, sports and aesthetic pursuits. We can help students to lay solid foundations for further studied in the Sixth Form College, nurture them good communication skills and thinking skills, and help them to achieve excellence in studies. In the 2012 HKDSE Examination, more than one-third of the students have attained Grade 4 or above ; over 90% of the students have gained Grade 2 or above in most of the subjects, particularly, the passing rates of Physics and Mathematics Extended Part M1 are 100%. We are proud to see some students with brilliant results. There are 8 students getting Grade 5 or above in all subjects. One of them attained Grade 5\*\* in Physics, Grade 5\* in Biology and Chemistry, Grade 5 in Chinese Language, English Language, Mathematics and Liberal Studies and Grade A in Japanese. The most encouraging result is that over 40% of our first cohort students have gained the university entrance. This prestigious result gives the school the affirmation of our efforts in fostering the qualities of our students.

Although we have got a pleasing standard in academic achievement, we cannot be smug in this stage. The mission of the school should be further proceeded in the coming fifteen years so as to continue to equip our students to face the challenges of a fast

changing and increasingly competitive world. Therefore, there is absolutely a need to extend the boundaries of learning not just beyond the classrooms, but also outside Hong Kong. Other than the co-curricular life wide learning activities, students take part in overseas exchange programs and study tours which can enable them to develop an international perspective. It is true about the old Chinese saying, “Reading thousand volumes of books is not as good as walking thousands miles of journey”. Exchange program is a different type of education which allows students to learn through their experiences sharing among partners coming from different places in the world. Study tours going to Shenzhen, Shanghai, Beijing, Korea and Singapore have been organized and we are planning to travel far and wide, like Australia and Britain, so as to widen our students’ horizons.

We believe in bringing out the best in every student. In the coming future, the school will continue to offer students opportunities to grow and excel as independent youngsters. The school will value our traditions, Love, Respect, Diligence and Honesty, that have contributed to its success in the past. With this strong mission, we will leap forward and continue to make progress in providing a quality all-round education for the next generation in yet another fifteen years and beyond.

Young people especially adolescents experience many changes, physiological, psychological and social as they grow towards adulthood and these changes may affect the self-esteem of these youngsters. Teenagers have to face both challenges and embrace opportunities on the path to adulthood. To arouse and students awareness of the choices they may need to make as they grow and develop, and in order for them to focus on important personal and interpersonal values, the school adopted the theme of ‘Our Treasure, Our future’ (2011-2012) as the annual theme. The school held a series of activities in line with theme.

## 十五周年校慶暨通識主題 “Our Treasure, Our Future” 啟動禮

保良局唐乃勤初中書院創立於1997年，發展至2006年與保良局莊啟程預科書院結為一條龍津貼中學，成為全港第一所初中書院，至2011/2012學年，唐中將踏入第十五個年頭。為慶祝十五周年校慶，初中書院將舉行一連串活動，與學生、家長及社會人士分享多年來的教育成果。

在青少年成長並邁向成年階段的過程中，生理、心理及群性發展上會經歷不少轉變，而這些轉變可能會影響青少年的自尊。同時，處身於日新月異的社會，青少年須面對不同的成長挑戰與機遇。為喚醒青少年對個人價值觀及人際關係的關注，初中書院將於2011-2012學年以「Our Treasure, Our Future」為年度主題，為學生舉行一連串有關青少年個人成長及人際關係的活動。

為隆重其事，保良局唐乃勤初中書院於二零一一年十二月九日(星期五)下午二時正，於學校禮堂舉行十五周年校慶暨年度通識主題 “Our Treasure,

Our Future” 啟動禮，活動邀得教育局局長政治助理楊哲安先生擔任主禮嘉賓。

在樂隊的伴奏下，主禮嘉賓團徐徐進場。啟動禮先由保良局顏金焯副主席致歡迎辭作序幕，及後主禮嘉賓楊哲安先生致辭後，由顏金焯副主席、楊哲安先生及保良局陳黎惠蓮總理頒發十年服務獎、長期服務獎及「表揚老師計劃」表揚獎予初中書院員工。主禮嘉賓楊哲安先生接受學生親手製作的紀念品後，與顏金焯副主席、陳黎惠蓮總理、保良局唐乃勤初中書院家教會馬靜雅主席、保良局莊啟程預科書院戚美玲校長及保良局唐乃勤初中書院黃仲奇校長進行啟動禮儀式。壓軸項目為由唐中的學生表演，先是合唱團獻唱，播放學校回顧短片後則由唐中劇社演出名為《Sound of Music校園版》的英文話劇，演員精彩的表演獲得嘉賓及同學們熱烈的掌聲。

# THE 15<sup>TH</sup> ANNIVERSARY HALLOWEEN NIGHT

## HIGHLIGHTS

On 28 October, with the strong teamwork of various parties in school, our campus was turned into a haunted school in celebration of the 15<sup>th</sup> Anniversary Halloween Night. Guests, teachers and students dressed up in Halloween costumes to fully indulge in the spooky atmosphere. A charity make-up service was provided to help participants create a suitable horrifying look to match the theme of this special night.

## GAMES

Game booths were located in our school hall and ground floor. Participants were fascinated by the variety of English language games. To further enhance the English speaking environment, a few native speakers carried buckets of candies to treat participants who spoke with them in English.

## HAUNTED HOUSE

The haunted house constructed and managed by the Students' Union was one of the most popular attractions. Student helpers were enthusiastic in scaring the participants to ensure that they had a horrifying experience.

## SHOW

Models of the Halloween Costume Contest used their scary looks and catwalk to impress the audience. Cynthia Tse of S3A was the winner and proudly carried the title of the Queen of Ghosts.

## FESTIVE FOOD

The PTA and Home Economics Department served mouth-watering food and drinks with Halloween characters.

Over 400 participants had a fabulous and educational night. The following are just a few of our students' reflections:

- Judy Chu of S3B**  
The 15<sup>th</sup> Anniversary Halloween Night was an unforgettable night for me. I wore shocking but cute make-up and a pair of 4-inch high-heel shoes. I felt excited since many participants came to take photos with me.
- Cynthia Tse of S3A**  
I was delighted that I won the Halloween Costume Contest. Wandering around the campus with a cool look to frighten others was undoubtedly great entertainment.
- Ruby Li of S3B**  
I was the student helper at reception and the gift counter. I dressed up as a ghost and only a few people recognized me. I enjoyed frightening people with my terrible look.

# INTERVIEW WITH VICE PRINCIPALS AND ASSISTANT PRINCIPAL

Student interviewers: Yoki Leung (3A), Emily Wong (3A)

## Interview with our Vice Principal, Miss Siu Pui Yin

Our student interviewers met with our Vice Principal, Miss Siu Pui Yin, who shared and talked about her feelings and memories of our school.

Our school organized different activities to celebrate the 15th Anniversary. Miss Siu found the Halloween Night and the Variety Show to be the most impressive activities. Parents and students had a lot of fun on the Halloween Night. They enjoyed the mouth-watering festive food and drinks prepared by the Parent Teacher Association and the Home Economics Department. The haunted house managed by the Student Union was the most popular attraction. The Variety Show held in July was also a wonderful night for everyone. Through the Variety Show, Miss Siu discovered the students are very talented in music, including singing, dancing and drama. Miss Siu thought that the Variety Show provided a good platform for students to showcase their strengths and talents to the whole school in a relaxing manner.

Miss Siu maintains a close relationship with us. She finds us to be active, confident, creative and ready to face challenges. The most important point is that we always try our best though we may have a hard time to striking a balance between academic and extra-curricular activities.

Miss Siu cares about our future very much and she has high expectations of us. She suggested we strive for excellence and try something new in our lives. She also reminded us to explore our strengths and improve on our weaknesses.

English is very important in Hong Kong. We find that most Hong Kong people find learning English difficult. In this respect, Miss Siu gave us some advice out of her personal experience: when she was a university student, a zealous professor taught her to watch English movies to improve her English. Miss Siu said that by watching English movies, we will be able to learn a lot of new vocabulary. Our oral skills can also be enhanced. It is definitely a fun way to learn English.

## Interview with our Vice Principal, Miss Lau Pik Shan

The student interviewers were delighted to meet with our Vice Principal, Miss Lau Pik Shan, who had just returned to school after giving birth to her second new born baby girl. She shared her impressions about the 15th Anniversary celebration activities and our schoolmates. Throughout the last academic year, our school organized a series of activities celebrating the 15th Anniversary. The most impressive activity for Mr. Chan was the Halloween Night. He was touched by the enormous enthusiasm and creativity of the parents, teachers and students. They put on special effect make-up and scary tailor-made costumes. The organization of the event was wonderful. Participants had an enjoyable evening.

Our school held a number of activities to celebrate the 15th Anniversary, Miss Lau felt deeply impressed by the Halloween Night and Variety Show. Parents, teachers and students were involved in the Halloween Night. They dressed up in Halloween costumes and wore terrifying make-up. The scary ambience was strong. Besides, students and teachers had put a lot of effort into preparing for the Variety Show. She highly appreciated their hard work. Also, she felt touched after witnessing the dramatic changes of students in their performance. Some students were quiet in the past but they were brave enough to perform in front of the audience after joining the extra-curricular activities. It was amazing

Having a lot of chances to interact with us, Miss Lau thinks we are polite and willing to learn. Both able and less able students maintain a positive attitude in learning.

Miss Lau expects us to have higher learning initiative. Knowledge is unlimited, we cannot solely rely on teachers. We need to acquire extra knowledge ourselves. Self-learning materials of different subjects is one of the useful resources available to us. Bonus marks for non-teaching knowledge are set in the assessments to encourage us to do self-learning. Also, she hopes that we can maintain our civic awareness. We need to protect our school environment.

Miss Lau always likes to share effective learning strategies with us. This time, she shared the learning strategies of English, our key medium of learning instruction, with us. She believes that the most effective way to learn English is to concentrate in the lessons. We need to understand what the teachers teach. Also, we should be willing to try to answer and ask questions related to English. Practice always makes perfect. Another learning tip is to keep a handy notebook to jot down important English notes or vocabulary. We can make good use of the time to read the notes when we are on the way to school or home every day. In this way, we can learn the English gradually.

## Interview with our Assistant Principal, Mr. Chan Kwai Fai

The student interviewers were glad to have the opportunity to talk to Assistant Principal, Mr. Chan Kwai Fai, and learn from him.

Throughout the last academic year, our school organized a series of activities celebrating the 15th Anniversary. The most impressive activity for Mr. Chan was the Halloween Night. He was touched by the enormous enthusiasm and creativity of the parents, teachers and students. They put on special effect make-up and scary tailor-made costumes. The organization of the event was wonderful. Participants had an enjoyable evening.

Mr. Chan has a close relationship with us. He always chats with us and gives us small treats. He finds our students to be polite, amenable to the teachers' efforts and willing to face challenges. It is crucial that we show great respect to teachers. We also have a good relationship with teachers. This is why many past students return to our school to visit the teachers from time to time.

Mr. Chan has a few expectations of us. He believes in 'No pain, no gain'. He hopes that we will continue to work hard for our future. Moreover, he hopes that we will dare to try new things to enrich our experience, such as taking part in different activities inside and outside school. Lastly, he hopes that we will develop good reading habits. We need to broaden our knowledge and interest base by reading far and wide.

Mr. Chan has been an English teacher in the past and he shared some methods of how we can improve our English. He encouraged students to read more, write more, speak more and listen more. To be simple, we have to take every opportunity to practise English. Practice makes perfect. We should not be afraid of making mistakes as everyone including great people make mistakes. The key thing is that we all learn from mistakes. A well-known educator, Sir Ken Robinson, said all kids have the potential to be creative because they are not afraid of being wrong. Therefore, if we are not prepared to be wrong, we will never come up with anything original. This is very true.

04/05/2012

很榮幸在剛過去的一年獲推選為唐初的家教會委員，並擔任家長會主席一職。

時光飛逝，轉眼間唐初已過了15個年頭。在去年的12月中，學校為慶祝15週年而舉行多項活動，讓家長及學生們一同分享喜悅！其中一項活動就是--開放日。為籌辦開放日，老師們都費盡心思，利用每個課室讓同學們做講者去介紹每科的特色，待參觀者更加了解唐初的課程。而最受歡迎的其中一項活動，莫過於中一入學面試班，這也是唐初的一種特色去讓準備入讀的學生多一種途徑去做好準備！

那天到處都人頭湧湧，尤其是在操場上各色其式的攤位及表演，而家教會就負責了一個義賣的小食攤位。雖然那天天氣很寒冷，但亦無損參觀者的雅興，義賣的食物也很快全部售清，亦為學校籌得理想的款項。

在此，本人衷心感謝在開放日當天不辭勞苦的老師，同學及義工家長，尤其是籌辦小組的老師及家教會委員。

最後，祝唐初有更多的15年，培育更多精英，成為一所更有知名度的初中書院！

究竟何為教育？曾經聽過一位大學教授講道：教育二字需要拆開為「教」和「育」來解釋的，許多人只知道「教」學生取好成績，但卻忽略了如何培「育」一位學生。作為一名學生，我當然不敢在眾教育前輩面前討論甚麼是教育，不過我還是想談一談唐中是怎樣培育我的。

在唐中，除了讀書以外，我十分幸運地有多方面的嘗試，如參加歌唱比賽、在班際話劇中表演跳舞、參加社際排球比賽等。當中學到很多課本上沒有的知識和技能。在這些事情中，雖然沒有顯出我特別的才華，也沒有令我變得多才多藝，但在我眼中，這便是校園生活。唐中是一個給人很多嘗試的機會、學習的機會和有人情味的地方。先別說老師如何為我們的學業日夜勞心勞力，甚至連校工，也十分關心我們的學業。每逢看見我們這一群準畢業生，也不會錯過灌輸我們做人的道理。就是他們這種對人真誠真摯的感情，也教育了我該如何對待身邊的人。凡事不要只顧自己，多走一步關心別人，這不但令整個世界變好，而且也讓人與人之間的關係變得更好。

不知不覺，在唐中三年的日子就在一片歡樂聲、難捨難離的哭泣聲和一片對前路一片茫茫的慨嘆聲中劃上句號。還記得，當時為了給一群畢業生錄製畢業短片竟然「膽粗粗」地和另一名同學走進校長室找校長訪問。記得我曾經問過校長，對畢業學生有甚麼訓勉的說話，能讓我們帶著離開。還依稀記得校長說過要「有目標」和「堅持」。的確，在不同的階段會有不同的目標，不過無論目標是甚麼，都需要有一份的堅持和毅力才能達到。最後，想用一句說話來鼓勵今天還在努力和堅持中的你和我，「路有許多，但應該是我選擇道路，而非道路選擇我。」

唐乃勤初中書院在1997年開辦，由實用學校，到一所中學，到現在的初中書院，當中不斷地發展。在這十五年來唐中教導出來的學生，現正默默地為這個社會貢獻著。這十五年來她孕育著許多的生命，使他們找著了人生的目標與方向。多謝母校的教育，並謹此祝賀母校成立十五週年。祝願母校能繼續明訓達聰，琢玉成材！

時光匆匆流去，轉眼間，我已離開了中學校園數年，今年，我也進入一個新的階段，就是正式投身社會工作。回想起在中學的五年間，我真的改變了很多，中一的時候，我是一位比較安靜，缺乏自信的學生，因為老師給了我一個機會發揮和表演自己，讓我找到自己的興趣，所以今天的我是愛說話，做事充滿自信的人。記得當年上課的時候，老師總會在課堂中跟我們說笑，製造輕鬆的氣氛，每當我遇到任何的問題，我都會與老師分享，老師總會給我提供不同的意見及機會。

同學們之間融洽的相處，今天，這班同學變成了好朋友。記得那時候小息、放學都一起玩耍，遇到任何事情我們都一同分享，互相支持及鼓勵，這一幕幕的情境都令人懷念及難忘。

在此，萬分感謝校長及各位老師當年為我提供的學習機會，以及悉心的慰問和關懷，使我變成了一個有自信的人。謝謝你們！

離校數載，適逢母校十五周年舉行特別活動，作為畢業生，重回母校，穿梭在校舍每個角落，感到格外熟悉與親切，大夥們都覺得「有回家的感覺」。而回憶昔時學生時代的點點滴滴，更有聊不完的話題。最令人會心微笑的莫於師生情懷，關係更是單純、真摯，體會到嚴中有愛。

有很多地方更已改建或者增建，設施更加完善，環境雖改，但舊地方與當時風味還是存在，可以看到母校的成長與念舊珍貴情感，讓人懷念不已。從母校獲得的知識與能力使我們在生活中獲益匪淺。

回想當年，雖然學校在學業成績上未算是一所一等級的學校，但這些並非最重要，我反而著重學校的內涵，尤其學生的成長過程。老師的諄諄教導、同學的互助友愛、濃厚的學習風氣、豐富多彩的課餘生活幫助我們校園生涯增添不少色彩。天生我才必有用，當時學校人數並不龐大，所以學生們所得到的機會相對比較多，可以發揮我們擅長的地方，例如，領袖任務、歌唱表演、體育競爭等。就是這些機會把個人的潛能發揮出來，幫了我們能夠定下清晰的目標，畢業後朝目標進發。

現時母校無論在學業，課外活動均屢創佳績，向母校獻上最衷心的祝福，希望母校能在今後的日子裡再創輝煌！

最後，再次祝賀母校十五周年校慶，相信母校的明天必會更加美好！

### Willing to try, Never give up

**“Attitude is a little thing that makes a big difference.” – Winston Churchill.**  
When I changed to this school in Form 3, I promised myself that I would seize every opportunity to try out new things.

While I was with this school, I was lucky enough to have a lot of chances to try out a variety of things. After receiving awards in the Hong Kong Schools Music Festival, the school allowed me to perform in front of my schoolmates on many occasions. This helped to build up my confidence. Academically, I tried my best to grasp every learning opportunity to enhance my knowledge. At the same time, I also offered help to students who had learning difficulties. The process of helping others also helped consolidate what I learnt and better equipped me for Sixth Form College. I also got to make more friends and my social network expanded as a result. All these experiences enriched my school life.

My fellow schoolmates, the study time in Sixth Form College is challenging, so you have to grasp every chance to strengthen your foundation in Tong Nai Kan. Do spend more time on studying English because English is such an important language around the world. Holding a positive attitude is definitely important, too. Seize every opportunity to try something new, and I can guarantee you that the outcome will be amazing!

## Space for Transformation

Over the past 15 years, TNK has proudly stood on a fine piece of land, Mei Foo. Being well established in the middle of the city, the school enjoys lovely surroundings and has nurtured a number of generations of youngsters.

In order to continue creating a pleasant and harmonious learning environment and to provide a holistic curriculum and a system of extra-curricular activities to our students, the school sorely needs a more spacious campus and advanced facilities for learning, recreation, art and cultural activities. Therefore, we plan to have a 3-year reconstruction project so that various facilities can be added to cater for our future development.
